

# New Books at Rideau Archives

## The Reference Library

The Reference Library at Rideau Archives is a supplement to our manuscript collections. It enables researchers to examine a wide variety of historical questions relating both to Canadian and local history. Anyone may use the collection, but it is not a lending library: it is for research use at the Archives. The collection is small, but it is strong in Canadian military history, local history of eastern Ontario and genealogies of local families.
